

What was my Career Path?

1. What was their job title?

2. What did they do as a job?

3. Were they an apprentice or a graduate?

4. What education did they have? (GCSE, A levels, university, etc)

5. What school subject(s) linked to their job and why?

6. What skills did they start to develop in school that they now use in their job?

7. What is the coolest thing about their job?

8. What would they tell their 14/15/16 year old self to help them with their career?

9. What do you think are the top three essential skills for that job?

Teamwork

Speaking

Creativity

Aiming high

Listening

Problem-solving

Staying positive

Leadership

10. Please explain the reasons for your choices:
